

# Presence Mercy Medical Center

SERVING MORE THAN

# 50,900

people through our outreach programs.

Together with our partners, we are addressing the greatest health needs in our community. Every day, we strive to change lives for the better.

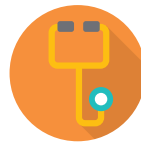

**Presence Mercy Medical Center** uses advanced technology to preserve and improve the health of the communities with regard to their physical, mental, spiritual and social well-being. With new private rooms for inpatients and a state-of-the-art outpatient surgery center with robotic and minimally invasive surgery, the hospital is recognized for stroke, heart, orthopedics, diabetes and behavioral health services.
