Presence[®] St. Mary's Hospital

In 2015, we deepened our roots in the community by extending services beyond our walls and partnering with local stakeholders to improve health and wellness.

Working with our communities is part of our calling. For 119 years, Presence St. Mary's Hospital has provided exemplary levels of health care to generations of families. As health care has evolved, Presence St. Mary's Hospital has kept pace with changing needs in inpatient and outpatient care and with advancements in technology. The success of this hospital is made possible through the power of our people - the staff, volunteers, and physicians - whose many hands work together in one Mission of service for the benefit of those in need.
